**THE JOURNEY BEGINS**

Walk-On’s founders Brandon Landry and Jack Warner became fast friends as a pair of walk-on (unrecruited and unsigned athletes) on the Louisiana State University basketball team. Without a lot of true playing time, Brandon and Jack were able to discover that their interests and hopes went beyond the basketball court. While traveling across the country, they were able to visit some of the best restaurants and sports bars and began to recognize the need for such a concept in Baton Rouge, especially near LSU. Their idea began to take shape around 1991 after the couple the idea to start a business and opened a restaurant on the campus of LSU.

**WALK-ON’S IS BORN**

Despite having little business experience and even less financial backing, Brandon and Jack were determined to create a business environment built on culture and the idea that everyone on the team was needed and made as much as the next guy. It was a unique concept and a big departure for a traditional college sports bar.

**WINNING TODAY, TOMORROW AND BEYOND**

Success in sports and success in life often come from similar paths. Now as the founder and CEO of Walk-On’s, Brandon Landry has turned the same traits he was looking for in a college basketball walk-on into virtues that he shares freely with everyone on the Walk-On’s team. Today, with over 100 restaurants in the works across 15 states, the sky is the limit. Walk-On’s continues to grow and expand into new markets with a mission of delivering an unforgettable game day experience to fans of all teams and all sports.

**Cheers to you and your dreams!**
